Task 1: Find the missing number in a sequence

Missing number: 5

Task 2: Check whether two strings are anagrams

Anagrams

Task 3: Sum of first N natural numbers

Sum: 55

Task 4: Check positive, negative or zero

Negative

Task 5: Sum of digits of a number

Sum of digits: 10

Task 6: Product of digits of a number

Product of digits: 6

Task 7: LCM of two numbers

LCM: 36

Task 8: GCD of two numbers

GCD: 6

Task 9: Find common elements between two lists

Common elements: [3, 4]

Task 10: Find second smallest number in list

Second smallest: 3

Task 11: Longest substring without repeating characters

Length: 3

Task 12: First non-repeating character

First non-repeating character: c
